This tour is a great tour for those who have not been to our beautiful South Coast before or for those who have and just can't get enough.

Prices can be quoted for your group or organisation depending on whether you have your own transport, or you would like us to organise one of our Luxury Coaches to come and pick you up.

Excursions can also be added or removed, to suit your individual tour and we are only to happy to discuss this further with you.

Our dinners are constantly being monitored and maybe subject to change, however our Buffet breakfasts are served in our 80-seater Marquee, situated near our pool and is a great social way for a tour to start the day benefitting single travellers and informing guests of the days' itinerary including any variations that might be happening.
